## SECOND TEAM LOSE TO MANNING HIGH

### Boys Had Not Played Before This Season

Our Second Team organized from the boys who have been out on the field every afternoon "taking the air" played a scrimmage game with the Manning High Team. Our boys with two days practice showed a lack of practical experience and the execution of their plays was devoid of smoothness. However they put up a better exhibition than was anticipated when it is considered that these fellows have spend the last seven weeks watching the "twelve iron men" practice. In all this time they have had no time to even get the feel of a ball. We hope that this nucleus of next year's team will have a few more opportunities to become acquainted with football.

The Manning team had no difficulty in running up a score of 24 to 0.

### NEW ENTRANCE TO ATHLETIC FIELD

The stones in the foundation of the old farm barn are to be used in a wall which will extend from the easterly end of the garage to the pond. The main entrance to the athletic field will be about fifty feet below the garage. The wall will be a thirty inch single face and the entrance will be flanked by pillars of field stone.

## SANBORN SEMINARY DEFEATS DUMMER

### Dummer Had Two Opportunities to Score

Dummer was defeated Sat. Oct. 17th at Kingston 13-0 by Sanborn. The Dummer team functioned finely and if they had used the opportunities given them should have beaten Sanborn. Twice a Dummer man reached a clear field and failed to score. Sawyer fumbled after breaking away from everybody, and Griggs slowed up after he had intercepted a forward and shook himself clear of the field and was tackled. The heavy Sanborn team made up of former high school stars was expected to win, but found the going rather tough. At times they smashed through Dummer's line, but more often they found the line impregnable and were forced to resort to the air route. It was through this method of attack that the first touchdown was scored and forwards paved the way for the second also. The Dummer team, although outweighed about 18 pounds to a man, put up a great fight and are deserving of much praise for their gritty exhibition.

Hinds was the only Dummer back who could gain much ground and the hard plunges of White were sadly lacking. He played a great defensive game but could not get going on the offense.

Sanborn scored her first touchdown on a beautifully executed pass, LeClair to Lynch who easily scampered over the goal line. A series of forwards culminating with line plunges by LeClair accounted for the second touchdown. LeClair proved to be Dummer's nemesis all day and was the hardest man for them to stop.

## DUMMER OVERCOME BY MILTON ACADEMY

### Boys Put Up Plucky Fight Against Big Odds

Dummer was defeated Saturday October 31st by Milton Academy 33 to 0. The score of the game does not show the remarkable exhibition that Dummer put up. Outweighed more than 30 pounds to the man Dummer team made their opponents earn their first score. Milton was always putting in fresh men and just as soon as a man showed the slightest sign of weakening he was taken out of the game.

The score at the end of the first half was 6 to 0 and this speaks for itself. Dummer had played Milton to a standstill this half and it was only a lucky break that gave Milton her first score. Never before this season was Milton held the way Dummer held them in this half. It was a rude shock to the team as they had expected to run rough shod over the lightweight Dummer team. Right here it may be said that it is doubtful if any team ever put up a more gritty fight than Dummer did against Milton. Playing out of their class they gave Milton a wonderful example of fight and determination. Every inch of the ground gained was hotly contested and Milton found the going extremely hard near the goal posts.

Milton started team B against Dummer; but when it was seen that they could make no headway against the fighting Dummer team, they were taken out. When the first half ended the entire Milton first team with the exception of Bachelder, who started the second half, was in the game. Dummer had two golden opportunities to score but the breaks were against them. Once, after a march down the field against the first team when the Dummer backs were making first down in two rushes, one of the backs fumbled as he hit the line and lost the ball on Milton's 21 yard line. Another time a Milton back fumbled and the ball rolled toward his own goal. Calderwood was in on the play and in his anxiety to pick up the ball kicked it and a Milton man recovered on his own 14 yard line. Milton scored late in the second period, after being held by Dummer on her 30 yard line Milton tried a field goal which was blocked. The ball shot off on a tangent and landed beside a Milton

## DUMMER TEAM SWAMPS AMESBURY

### Dummer Ran Through Amesbury At Will

Dummer overwhelmed Amesbury High Saturday October 24th at South Byfield by a score of 32-7. The Dummer backs ran through the Auto Town team at will, and the line outplayed and outcharged their opponents every moment of the game. The team Saturday was a perfect machine that coordinated in every movement, and it looks as though the Dummer team has found itself.

Hinds was the main satellite of the game and his brilliant dashes ruined the morale of the Amesbury boys. He broke away for several 35 and 40 yd. runs and sandwiched in with these were numerous shorter dashes and a long 85 yd. run. White and Kenney tore off many a substantial gain and Horr was performing finely when he was forced to leave the game with an injured shoulder. Hart played the last three periods at quarterback and picked his plays with uncanny judgment. It was his first appearance and he looked very good.

Dummer scored her first touchdown on a 40 yd. dash around left end by Hinds, Bottger kicked the goal. Amesbury then made her only real drive of the day and evened the score. Dummer went ahead never to be headed when, after plunges by White and Hinds, Kenney slipped through for a touchdown. At the start of the second half, Hinds tore off 70 yds, stepping off side on the 15 yd. line. After several smashes at the line White went over. Hart followed this up with a 10 yd. run around right end after faking a line plunge. The final score came when Dummer completed her only forward pass of the day, Hart to White, for 70 yds, and a touchdown. Hart made the extra point.

The most interesting part of the game, excluding of course Dummer's fine play was the freedom from penalties. Only 4 were inflicted and the clean playing of both teams was remarkable.

Dr. Ingham in recent articles in the Boston Transcript and the Boston Globe has been quoted as taking a strong stand against athletic scholarships. He sees no difference between these scholarships and subsidizing athletes. A decided degree of courage is needed by heads of schools who do not permit athletic ambitions to dominate their institutions. Dr. Ingham has ever furthered this principle. In his answers he has set forth a principle of wide application. The reason he gives is one of the soundest. He is only concerned with what students think about it themselves. He does not believe in taking short cuts through swamps. He considers that triumphs so won by recruited athletes are only "Pyrrhic victories" and are not worth their labor. A schoolmaster who recruits to get winning teams wants a winner at any cost. The boys know it, the team knows it, and the coach knows it. A school that trifles with moral standards is a menace.

Letters from alumni and loyal backers of the school are constantly being received. All of them contain the same foundation. The writers feel that now the school is full, a few athletic scholarships would be agreeable to all. They state that every one is doing it and that the value of a winning team is great. It was such a letter that evoked such publicity in Dr. Ingham's answer.

In his reply to this particular exhortation Dr. Ingham questions the fact that all schools and colleges do it. He also questions the value of a

winning team composed of "ringers". The temporary profit may be ample, but the final outcome is detrimental always and surely. Besides this he does not believe in developing a small group while the bonafide students stand on the sidelines. However, he does believe in giving the untrained the best possible teaching and gives "Tony" Comerford as an example. He advocates Mr. Comerford as unequalled in coaching clean, hard football. Mr. Comerford played four years for Boston College and in 1921 he was captain and on the All-America squad as chosen by Walter Camp. Dr. Ingham points out that since 1907 when Dummer was able to cope with such teams as Haverhill High the income from tuitions has risen from \$5,000 to \$80,000 and six new buildings have been built. When the new field is completed Dummer will have one the largest and best private school playgrounds in the district. There are also excellent facilities for golf, tennis, and hockey and a fine new gymnasium has just been built and equipped. By these facts it is easy to see that the Academy encourages clean and honest athletics to the utmost.

Alumni

Cutter '22, Captain of hockey at Bowdoin, is playing half-back on the Bowdoin team.

Terhune '24 is a Freshman at Williams.

Sherman '23 is playing for his second year in the backfield for Norwich.

Whalen '25 has a regular berth as tackle on the Worcester Academy team.

Forsberg ex '26, last year's football captain, is playing fullback for Worcester. He scored the Academy's only touchdown against Harvard Freshmen when he intercepted a pass and ran 75 yards for a touchdown.

Watkins '25 is attending Columbia University. It was erroneously stated in the last issue of the Archon that he was in business.

Phillips ex '26 was a loyal rooter at the Sanborn game.

Harkness '21 is manager of Bowdoin football team.

Dodge, Ferdinand, Fleet, Coleman were among the old Dummer men present at the Milton game.

F. Ruiz ex '26 is studying in Mexico.

DRAMATIC CLUB  
ELECTS OFFICERS

At a meeting of the entire student body a Dramatic Club was organized and the following officers were elected:

President, James Budgell; Vice President, John P. English, Secretary, Albert Horr, Treasurer, William Morrison, Assistant Treasurer, Edward Woodward.

SECOND TEAM  
WANT GAMES

The squad of boys who have been out following the fourteen members of the first football squad and absorbing a great deal of technical experience? have been formed into a second team. This squad will be coached by Mr. Reagan. An attempt will be made to get a few games so as to give them a little practical experience.

PRESENT NEW

Mrs. E. M. Roberts, of Worcester, has presented four new books to the Moody House Library. "The Story of a Bad Boy," "Jack Hall", "Under the Big Top", and "Lions 'n' Tigers 'n' Everything."

BLEACHERS NEEDED  
FOR ATHLETIC FIELD

With the completion of the new athletic field and the final location of the diamond and gridiron we hope to obtain some sort of permanent stands to take care of the spectators.

News of Interest

Work to enlarge the pond so as to increase the size of the hockey rink will start this week. Dummer plans to be represented the coming winter with a hockey team.

Mr. James Ferguson, of the Doubleday, Page Company, a Dummer graduate, has recently presented the school with a full set of Kipling.

Sherman '23 is playing half back on the Norwich team.

man who took it under his care on Dummer's 24 yard line. This recovery gave Milton a new impetus and two plays brought the ball to Dummer's 8 yard line. Dummer stiffened and it took four plays to put the ball over by barely six inches. This had been a great half for Dummer but it had weakened the team.

When the second half began Bachelder, Milton's great line plunger entered the game. Dummer still battled against the odds, but the superior weight of their heavy opponents began to tell. Hinds was forced to leave the fight at the beginning of the third period his injured leg was not equal to the strain. Milton slowly and steadily pushed their way down the field for two touchdowns. Then Dummer twice held for downs and gained on the exchange of punts. The Milton coach sent in a fresh line but the tired Dummer team was not equal to the task. Two more touchdowns were scored before the game ended.

## RECORD CROWD PRESENT AT AMESBURY GAME

The Dummer-Amesbury game drew one of the largest crowds of recent years. About five hundred were present. This was one of the most orderly crowds ever seen on the field. The single representative of the Newbury Police Department had little to do except direct traffic from the field to the Pike.

Carpenter ex '24 is attending Cornell.

## DUMMER JUNIORS DEFEAT CURRIER 25-0

Playing the second game of their season the Dummer Juniors outclassed the Currier School football team in a well played and interesting game. Captain Towle of Currier won the toss and received. Best kicked off and Currier carried back to the 40 yard line. Unable to gain they were forced to punt. Whyte ran the ball back twenty yards. Then Steinharter took the ball around the right end behind perfect interference for a forty yard run and a touchdown. A forward pass Whyte to Gove netted the extra point. In the second period successive plunges by Bell, Best, Steinharter and Whyte brought the ball to the five yard line. From there Steinharter took the ball over for the second touchdown. Best failed at the extra point. In the third period Currier made their best attempt and worked the ball down to the Dummer fifteen yard line. Poor judgment by the quarter and the stubborn defense of the Juniors gave the ball to their opponents. Whyte and Best advanced the ball to the one yard line, the former making a thirty-five yard run. Whyte then plunged over for the third touchdown. Best failed in his attempt for the extra point. In the last period with a few seconds to play Best received a forward and ran forty yards for the score.
